

Time is on Your Side

No Payments Until 2010 from Direct Capital!

Get the Equipment You Need Now and Pay Later

The No Payments Until 2010 Program is Perfect When:

- You can't squeeze any more cash out of your budget
- You need to start generating revenue from the equipment before payments are due

2 Simple Steps

- 1 Choose the equipment or technology your business needs
- 2 Call your Direct Capital Finance Manager to get approved for financing

It's Easy!

Call Direct Capital today
for simple, fast, and
cost-effective financing.
